VERIFIED MÉTIS FAMILY LINE ASSESSMENT DOCUMENT
CADOTTE FAMILY LINE (FL4002)

1 Overview of this Document

This Verified Métis Family Line Assessment Document, along with others, have been prepared by the MNO Registry in order to identify Métis families who were a part of Historic Métis Communities in Ontario.[1] These communities existed in some parts of Ontario where distinctive Métis collectivities who, in addition to their mixed Aboriginal ancestry, developed their own customs, way of life, and recognizable group identity separate from their First Nation and European forebearers, prior to the Crown effecting political and legal control in a given region.

The MNO represents various regional rights-bearing Métis communities throughout Ontario; these communities consist of the Descendants of the Métis Root Ancestors who made up Historic Métis Communities. Based on the Descendants of these Métis Root Ancestors applying for citizenship within the MNO, the MNO is authorized—through democratic governance structures at the local, regional and provincial levels—to represent the collectively-held rights, interests and claims of these modern-day Métis communities.

Flowing from this authorization, the MNO has adopted a Harvesting Policy to manage the activities of Métis harvesters in Ontario. This Policy provides that an MNO citizen who ancestrally connects to a Métis Root Ancestor is eligible for an MNO Harvester's Card for the identified Traditional Harvesting Territories (also known as Harvesting Areas) that corresponds to the Historic Métis Community to which the citizen's Root Ancestor belonged. To fully understand what is required in order to be issued a Harvester's Card, this Verified Métis Family Line Assessment Document must be read with the *MNO Registry Policy for Identifying and Documenting Verified Métis Family Lines for the Purposes of Issuing Harvesters Certificates to Citizens* ("*MNO Harvesters Certificate Policy*").

2 Rationale for Inclusion as Verified Métis Family Line

The Cadotte family was part of the Historic Métis Community of Sault Ste. Marie (the "Métis Community").

The Forebearers for this Verified Métis Family Line are Michel Cadotte le Petite and his wife Charlotte Okapeguijigokoue. Michel was a fur trader in what is now Minnesota and Wisconsin; Charlotte was an Ojibwa woman.

The Root Ancestors for this Verified Métis Family Line are the children of Michel and Charlotte: Marie Anne, Alexis, Louis, Charles, Agathe, and Marie, born between 1789 and 1808. Four of the Root Ancestors were Documented Métis. Numerous Descendants, including the children, grandchildren, and great-

grandchildren of the Root Ancestors were also Documented Métis; many were enumerated as "F.B" (French breed) or "French B." on the 1901 Census of Canada. Many Descendants also self-identified as Métis, through their United States Halfbreed Claims (where many Descendants recorded themselves as "1/2 breed" or "1/4" breed"), or on by signing the 1850 Petition of Sault Ste. Marie Métis. The United States claims arose out of the St. Peter's Treaty between the United States government and the Chippewas of present-day Minnesota and Wisconsin. Several Root Ancestors and Descendants applied for payment under that Treaty, but applied as either "1/2 breeds" or "1/4 breeds", not as Chippewas. The 1850 Petition of Sault Ste. Marie Métis was a document sent to the Governor General of Canada, seeking assurances that the land and property of the Métis of Sault Ste. Marie would not be impacted by the Robinson Treaty. Other names on the Petition include Root Ancestors and Descendants of the Boissoneau (FL4001), Cadrant (FL4003), Corbiere-Nolin (FL4020), Labatte (FL7018), and Sayer (FL4014) Verified Métis Family Lines.

Root Ancestor Marie Anne Cadotte had settled in the Métis Community by 1821, when her son Joachim was born in Sault Ste. Marie. This places the family in the Métis Community 30 years before Effective Control.

The Historic Records demonstrate that the Root Ancestors and their Descendants spent their lives in the Métis Community, as they are repeatedly documented there. Root Ancestor Alexis Cadotte moved to Sault Ste. Marie around 1830 with his wife and children. Root Ancestor Descendant Joachim Biron, son of Root Ancestor Marie Anne, was born in Sault Ste. Marie in 1821. In 1850, he signed the Petition of Sault Ste. Marie Métis. He was enumerated on the 1901 Census in Sault Ste. Marie along with his wife and two children. Joachim's brother, Joseph Biron, also signed the 1850 Petition, and was enumerated with his wife and children in Bruce Mines in 1861, and in 1881 in Sault Ste. Marie. Another sibling of Joachim and Joseph, Marguerite Biron, was born in Sault Ste. Marie in 1828. Their brother Charles signed the 1850 Petition as well. Charles died in Sault Ste. Marie in 1897; his widow and their children were enumerated in Sault Ste. Marie on the 1901 Census. A grandchild of Root Ancestor Marie Anne, named Joseph (Jr.) Biron, was born in Garden River in 1854. He was recorded in Sault Ste. Marie with his parents and siblings in 1871. Numerous other grandchildren of the Root Ancestors were enumerated in the 1901 and 1921 Census for Sault Ste. Marie or Garden River, as well as great-grandchildren.

The Cadotte family had extensive Kinship Connections to other Verified Métis Family Lines that made up the Métis Community. In 1847, Root Ancestor Descendant Marguerite Biron married Michel Toussaint Sayer of the Sayer Verified Métis Family Line (FL4014). Their marriage was witnessed by Marguerite's brother, Joachim Biron, as well as Michael Labatte of the Labatte Verified Métis Family Line (FL7018). Root Ancestor Descendant Joseph (Jr.) Biron, married Helen Boissonneau of the Boissonneau Verified Métis Family Line (FL4001) in Sault Ste. Marie in 1877. Their marriage was witnessed by Joseph's brother, Alexander Samuel, and Helen's sister, named Marguerite. Alexander Samuel married Marguerite Boissonneau (Helen Boissoneau's sister), in Sault Ste. Marie, two years after they both witnessed the marriage of their siblings. Root Ancestor Descendant Charles Robert Sayer's marriage was witnessed by Cecelia Brissette, of the Brissette-L'Hirondelle (FL7001) and Laramee-Cloutier (FL7014) Verified Métis Family Lines, in Sault Ste. Marie in 1895.

This is a Verified Métis Family Line for the following reasons:

- There is evidence that the Métis Root Ancestors and Root Ancestor Descendants in this family line were Documented Métis. Many family members are identified in various ways as Métis in the Historic Record (*i.e.* the 1901 Census of Canada identified family members from multiple generations as "French B", or "F.B."). In addition, many Root Ancestors and Descendants self-

identified as Métis on their applications for payments under the St. Peter's Treaty, and on the 1850 Petition of Sault Ste. Marie Métis.

- There is evidence that Métis Root Ancestors were in the Métis Community prior to Effective Control.
- There is evidence that the Métis Root Ancestor Descendants had Kinship Connections to other Verified Métis Family Lines through witnessing and marriage relationships, namely, to the Brissette-L'Hirondelle (FL7001), Laramee-Cloutier (FL7014), Boissonneau (FL4001), Sayer (FL4014), and Labatte (FL7018) Verified Métis Family Lines.
- Through the Historic Records contained in the Supporting Documents, there is evidence that the Métis Root Ancestors and Root Ancestor Descendants had an ongoing presence in the Métis Community for successive generations (between the Métis Root Ancestors and their Descendants, this documented presence spanned about 100 years).
- This Verified Métis Family Line continues to have an ongoing presence within this Métis Community today with many MNO citizens ancestrally connecting to the identified Métis Root Ancestors.

3 Background on Verified Métis Family Line

Forebearers Michel Cadotte le Petit and his wife Charlotte Okapeguijigokoue lived in present day Minnesota and Wisconsin.[2] Their child, Root Ancestor Marie Anne Cadotte, was born at La Pointe in 1798 and moved to Sault Ste. Marie by 1821, when her son Joachim was born at that location.[3] Root Ancestor Alexis Cadotte also moved to Sault Ste. Marie by around 1830.[4] In 1850, four of Marie Anne's children (Alexis, Joachim, Joseph and Charles) added their names to a petition of Sault Ste. Marie "halfbreeds" requesting the Governor General's assurances that their land and property would not be affected by the Robinson Treaty.[5]

[2] Michel's children made claims for payment as "halfbreeds" under the terms of the St. Peter's Treaty. On those claims, Michel is referred to as a fur trader of "the ceded country," referring to a portion of land between the Mississippi and Wisconsin Rivers in present day Minnesota and Wisconsin. Cadotte Verified Métis Family Line Document Collection (hereafter FL4002), page 29.

[4] On their claims for payments as "halfbreeds" under the St. Peter's Treaty, it is noted that Root Ancestors Louis and Charles Caddote have the same "history" as Alexis. It is unclear whether this refers to Alexis' move to Sault Ste. Marie around 1830 or to other details. FL4002, page 29.

Joachim and Harriet would have been 67 and 63, respectively, at the time of Jeanne's birth. It is possible that Jeanne is the child of Joachim and Harriet's daughter Veronique, who is enumerated with the family on the 1891 and 1901 censuses. FL4002, pages 2, 5, 13, 15.

To His Excellency The Earl of Elgin and Kincardine, Governor General of British North America, and Captain General of Her Majesty's Naval Forces &c &c &c

The Petition of the undersigned, Inhabitants of the Village of Sault Ste Marie

Humbly Sheweth:—

That Your Excellency's Petitioners, with the Exception of some five or six, are all of mixed Indian Blood and have been born upon the Soil — that Each of them has held, occupied and Cultivated the land, wherein they now reside, for very many years, most of them having inherited their possessions from their mothers, and the residue having purchased from half-breeds or Indians.— That the five or six, first above referred to, came to the Country some thirty or forty years since, and married Indian Women, through whom they acquired their said possessions respectively, which they have occupied and cultivated ever since, that they all served the Crown during the last War, most of them having been present at the taking of Mackinac, and that some of them even received a Grant of Land from the Crown for their Services:—

Your Excellency's Petitioners humbly pray

as present

Represent that the Land upon which they reside having been ceded to the Crown by the late Treaty, they are liable to be dispossessed of their properties, in Consequence of them being unable, from want of means, to purchase when they shall be speedily Come into the Market in the usual way:-

Your Petitioners therefore humbly pray that they may not be disturbed in their possessions, limits or boundaries, or, in any way molested, And that Your Excellency will be pleased to Cause their several possessions to be confirmed to them by a free Grant from the Crown:-

And Your Petitioners, as in duty bound, will ever pray.-

To His Excellency The Earl of Elgin,
Governor General of The Province of Canada,
and Captain General of Her Majesty's forces
thereon. &c &c &c.

The Memorial of the undersigned
Chiefs of the Odjebwa's. Hereby sheweth, that
by the treaty signed and entered the 9th day
of September inst. between themselves, and
the Hon.ble William B. Robenson upon the part
of the Crown, whereby was ceded to the Crown cer-
tain lands at the Sault de Ste. Marie, Whereon
several parties had settled and cultivated, sever-
al of them for upwards of forty years by and with
the consent of ourselves and people, and with scarce
one exception, all have married Indian women, and
by them have families, with these exceptions the whole
of the inhabitants of the Sault are what are termed
"half breeds" very many of them, the children of the
Sisters and the daughters of your Memorialists. Thus
having an inheritance in the Country equal to our
own, and bound to it by as strong and heartfelt ties
as we ourselves, we being apprehensive that the Government
after having purchased this land of which these people
also are equally the rightful and just owners, it would
exact from them a purchase money, far beyond that
which the Government has paid to us, to participate
in which the half breeds are not permitted by the Govern-
ment, the Chiefs therefore had prepared an article to
be enscribed in the deed of Treaty in the following
words, "The Schedule hereunto annexed is to be taken
and considered as a part of this treaty and the tracts or
parcels of land now in occupation or possession of the
several individuals mentioned, shall be granted by
a free grant from the Crown to each of the individuals
respectively and their heirs and assigns forever, said
patent to be issued so soon after the signing and
ratification of the treaty as possible" But the Honorable
the Commissioner not feeling himself authorized
to accede

to accede to such Stipulation, did not have it inserted, but advised your memorialists to appeal to the representative of the Sovereign to have the people therein referred to, protected in their lands and properties in the manner above discribed, many are qualified by education, knowledge of civilized life, and habits of industry to protect their own interest and maintain themselves as independent members of the community, and thus the example and encouragement held out by the admission of the more enlightened of our people to all the privileges of the whites will be the highest incentive to exertion to those orther of our people, who are not yet advanced to such a Stage of civilization as would enable them to take care of themselves,

Another article we had desired to introduce was as follows " It being deemed important that the "half breeds" scattered through this extensive country, shall be stimulated to exertion and improvement by the possession of permanent property and fixed residences the Objebwa nation, in consideration thereof and the affection they bear these people and their Children and the interest they feel in their welfare, grant to each of the persons discribed in the schedule hereto annexed, one hundred acres of land to be located upon ~~on~~ some part of the lands ceded by this treaty, and that free patents for each hundred acres, shall be granted by the Government to the individuals respectively and their heirs forever, so soon as the parties therein referred to, shall have made the location they desire respectively.

The same reasons which precluded the above articles applies also to the following."

" The majority of the Inhabitants of the Sault being attached to the Roman Catholic Religion and having for many years past set apart a piece of ground for the purposes of a Chapel and Mission house and upon which also is their burying ground, the same shall be granted by patent to the Roman Catholic Bishop of Toronto —
