VERIFIED MÉTIS FAMILY LINE ASSESSMENT DOCUMENT
VINCENT-RENTON FAMILY LINE (FL3020)

1 Overview of this Document

This Verified Métis Family Line Assessment Document, along with others, have been prepared by the MNO Registry in order to identify Métis families who were a part of Historic Métis Communities in Ontario.[1] These communities existed in some parts of Ontario where distinctive Métis collectivities who, in addition to their mixed Aboriginal ancestry, developed their own customs, way of life, and recognizable group identity separate from their First Nation and European forebearers, prior to the Crown effecting political and legal control in a given region.

The MNO represents various regional rights-bearing Métis communities throughout Ontario; these communities consist of the Descendants of the Métis Root Ancestors who made up Historic Métis Communities. Based on the Descendants of these Métis Root Ancestors applying for citizenship within the MNO, the MNO is authorized—through democratic governance structures at the local, regional and provincial levels—to represent the collectively-held rights, interests and claims of these modern-day Métis communities.

Flowing from this authorization, the MNO has adopted a Harvesting Policy to manage the activities of Métis harvesters in Ontario. This Policy provides that an MNO citizen who ancestrally connects to a Métis Root Ancestor is eligible for an MNO Harvester's Card for the identified Traditional Harvesting Territories (also known as Harvesting Areas) that corresponds to the Historic Métis Community to which the citizen's Root Ancestor belonged. To fully understand what is required in order to be issued a Harvester's Card, this Verified Métis Family Line Assessment Document must be read with the *MNO Registry Policy for Identifying and Documenting Verified Métis Family Lines for the Purposes of Issuing Harvesters Certificates to Citizens* ("*MNO Harvesters Certificate Policy*").

2 Rationale for Inclusion as Verified Métis Family Line

The Vincent-Renton family was part of the Historic Métis Community of Abitibi Inland (the "Métis Community").

The Métis Root Ancestor for this Verified Métis Family Line is Jane Renton. Jane was a Documented Métis, born around 1782. She met and married Thomas Vincent, a Hudson's Bay Company (HBC) employee, sometime before their first child was born in 1796 at Moose Factory, placing the family in the Métis Community 110 years prior to Effective Control.

[1] This document has been created for MNO internal use only. It should not be used for other purposes without the express written authorization of the MNO.

Thomas Vincent was stationed at Fort Albany, near the eastern shore of James Bay, between Moosonee and Attawapiskat. Thomas became the Governor of the New Brunswick House post in 1815, and Chief Factor of Moose Factory post in 1821.

Descendants of the Root Ancestor are repeatedly identified as Documented Métis in the Historic Record for instance as "Métis anglaise" on the 1870 Census of Manitoba and as "E.B." on the 1901 Census. Many of the Vincent-Renton family moved from the Abitibi Inland Métis Community to Red River, Manitoba, but the family maintained close ties. Many Descendants were part of the fur trade, and retired to Red River where they tried to claim Métis Scrip-Manitoba Heads of Families.[2] Some were successful, and others were rejected on the basis of being "Ontario half-breeds."

The Historic Records demonstrate that many Métis Root Ancestor Descendants spent their lives in the Métis Community, as they are repeatedly documented there. Root Ancestor Descendant John Vincent, a son of the Root Ancestor, was employed for the HBC between 1813 and 1840 in the Albany District.

Root Ancestor Descendant Thomas Vincent, a grandson of the Root Ancestor, moved back to Moose Factory from Red River, where his parents settled, to work as a missionary. He moved to Fort Albany in 1860 and married the daughter of the Chief Factor of Moose Factory in 1861. He had five known children between 1862 and 1872, all of whom were born at either Fort Albany or Moose Factory. In 1881, he was recorded with his family in the Census of Canada at Albany Factory. In 1885, Thomas applied for Métis Scrip-Manitoba Heads of Families in Manitoba. He wrote a letter that stated that he was "entitled to share in the half Breed claim to land Scrip, as the other members of my family have done, who reside in the Province of Manitoba." In 1902, he wrote a further letter in support of his and his children's claims to scrip, but the claim was disallowed on the grounds that "they were Ontario half-breeds and therefore, not entitled."

One of Thomas Vincent's daughters, Clara Caroline Vincent, was born and baptized in Moose Factory. She married a man named Allan Nicolson and they had six known children between 1892 and 1902. In 1901, she was enumerated with her family in Moose Factory. One of Clara's daughters, named Catherine Anne, was married in Cochrane in 1934. Another of Clara's daughters, Marion Isabella Nicolson, was born in Moose Factory in 1894. She married Documented Métis Alexander Thomas Louttit sometimes before 1915 and they had four known children born between 1915 and 1922, all born on the southeastern shore of James Bay. In 1921, she was recorded there with her family, in a town on the shore of James Bay called Eastmain. Another daughter of Thomas Vincent, named Mary Minnie Vincent, was enumerated with her husband and children in 1921 in Chapleau; Mary Minnie was recorded as being able to speak English as well as "Indian."

This is a Verified Métis Family Line for the following reasons:

- There is evidence that the Métis Root Ancestors were Documented Métis, as well as their Descendants (*i.e.,* numerous Métis Scrip-Manitoba Heads of Families affidavits, baptism certificates, and census records). The family self-identified as Métis in numerous scrip applications and also in various letters written from family members residing in Ontario, who were trying to claim Métis Scrip-Manitoba Heads of Families in Manitoba.
- There is evidence that the Métis Root Ancestors were both born in the Métis Community over 50 years prior to Effective Control.

[2] Please see the *Appendix to Verified Metis Root Ancestor Packages for the Historic Métis Community of Northwestern Ontario/Treaty 3* for more information on scrip. This Verified Métis Family Line Assessment Document relies on the defined terms contained in this Appendix.

- Through the Historic Records contained in the Supporting Documents, there is evidence that the Métis Root Ancestors and Root Ancestor Descendants had an ongoing presence in the Métis Community for successive generations (between the Métis Root Ancestor and his Descendants, this documented presence spanned about 145 years).
- This Verified Métis Family Line continues to have an ongoing presence within this Métis Community today with many MNO citizens ancestrally connecting to the identified Métis Root Ancestors.

3 Background on Verified Métis Family Line

Jane Renton, the Root Ancestor of this Verified Métis Family Line, was born around 1782.[3] Between 1796 and 1810, she and Hudson Bay Company (HBC) employee Thomas Vincent, who worked in the Albany District during most of this period[4], had six known children: John, Harriet, Elizabeth, James, Jane and Thomas. Many of Jane's descendants eventually moved to Red River; but her grandson Thomas, an Anglican missionary, spent many years in the Métis Community and had five known children in Fort Albany and Moose Factory between 1862 and 1872. Many of these children remained in the Métis Community and had families there.

[4] He went to Brandon House in the Red River District, Manitoba in 1806, but came back to Albany Factory (Fort Albany) in the Albany District in 1807, and after a brief return to England in 1809, was named Chief Factor of Fort Albany in 1810. FL3020, pages 89-90.

Jane Renton (Métis Root Ancestor). Jane, a Documented Métis, was born around 1782.[5] She met Thomas Vincent sometime before 1796, when he was working for the Hudson's Bay Company (HBC) at Fort Albany, a post on the western shore of James Bay.[6] Between 1796 and 1810, she and Thomas had six known children, the youngest of whom (Thomas) was baptized at Moose Factory.[7] Thomas became Chief Factor of the Fort Albany post in 1810, Governor of New Brunswick House[8] post in 1815, and Chief Factor of Moose Factory post in 1821.[9] Sometime before 1817, Thomas abandoned Jane Renton for a married woman named Jane Sutherland, and when he retired from the HBC and returned to England in 1826, he took Sutherland with him, along with two of the children he had with Renton (Jane and Thomas[10]). Jane Renton died in 1858.[11] In 1875, she was named a "half breed" on the Métis Scrip – Manitoba Head of Families affidavit submitted by her grandson Thomas Truthwaite in Manitoba.[12]

Elizabeth Vincent (daughter of Métis Root Ancestor). Elizabeth, a Documented Métis, was born around 1801.[21] She met Jacob Truthwaite while he was employed by the HBC as a carpenter, trader and interpreter in the Southern Department (James Bay area).[22] He retired to Red River Settlement in 1829, and Elizabeth and Jacob were married in the church there in 1830.[23] Their eight known children were baptized at Red River Settlement between 1830 and 1839.[24] Elizabeth and Jacob were enumerated as

Thomas Vincent (grandson of Métis Root Ancestor). Thomas, a Documented Métis, was the son of John Vincent and Charlotte Thomas. He was born in 1835 at Osnaburgh House, a post near the northeast end of Lake St Joseph.[28] He moved with his parents to Red River Settlement in 1840, and in 1855, moved to Moose Factory to work as an Anglican missionary.[29] He moved to Fort Albany in 1860 and there, he married Eliza Ann Gladman, daughter of the Chief Factor at Moose Factory post, in 1861.[30] Thomas and Eliza had five known children between 1862 and 1872, all born at either Fort Albany or Moose Factory.[31] In 1881, they were enumerated in the Census of Canada at Albany Factory, Eastern Ruperts Land.[32] In 1885, Thomas wrote a letter of application for Métis Scrip-Manitoba Heads of Families, "feeling that I am entitled to share in the half Breed claim to land Scrip, as the other members of my family have done, who reside in the Province of Manitoba."[33] Included in the application were his children John Horden, George Thomas, Clara Caroline, Mary Minnie, and Charles Stuart.[34] In 1900, Thomas, now an Archdeacon, retired from mission work[35] and was enumerated in the 1901 Census of Canada at Selkirk, Manitoba.[36] In 1902, he wrote another letter in support of his and his children's claims for scrip[37], but the claim was disallowed "on the ground that they were Ontario Half-breeds and therefore, not entitled."[38] Thomas died in 1907.[39]

He was born around 1840 and baptized at Red River Settlement in 1842.[40] From 1868 to 1898, he worked for the HBC in Rupert's River and Albany, during which time he had nine known children with Clara Caroline Gladman and Ann Agnes Linklater.[41] James retired to Rockwood, Manitoba sometime before 1908, and died in Stonewall, Manitoba in 1909.[42]

Thomas Truthwaite (grandson of Métis Root Ancestor). Thomas, a Documented Métis, was the son of Elizabeth Vincent and Jacob Truthwaite. He was born around 1820[43] and baptized at Red River Settlement

Light Trading in Futures and Good Export—Few Cash Offerings

Grain Exchange,
Winnipeg, Jan. 13, 1915.

Another high record in wheat prices as chronicled during the early hours day.

May wheat was sold at $1.39⅝, and ily at $1.40½, and these high points ere reached with little trouble appar- tly. The advance was caused by the traordinary export demand on both les of the line, all overnight offerings ing accepted here and fair sales were orked, it was claimed. The volume of siness in futures was light, commis- on houses discouraging to some extent e speculative element.

About noon prices eased off somewhat, t the undertone was strong.

The cash situation continues strong, a od demand for all grains of all grades isting, but onlq a few odd cars were ing offered.

Minneapolis cash market was firm on grades, while flour sales were moder- e.

A New York dispatch says that wheat d flour exported from the United States to Feb. 1 are estimated at 200,000,000. Chicago report states there is great ficulty in buying wheat to fill export es.

Winnipeg wheat futures closed 1¼c to c higher; cash closed 1⅝c higher for tract grades.

Oats closed ⅛c to ¼c higher.

Flax closed 3½c higher for May.

American markets closed as follows: nneapolis, 2 3-8c higher for both nths; Chicago, 1¾c to 2⅝c higher.

The total inspections on Tuesday were 135 cars, as against 390 last year, and in sight on Wednesday were 160 cars.

The weather has been fair and mild, with a few snowflurries. Forecast: Moderately cold today and Thursday.

Enormous purchases of wheat were made on southern markets by the United Kingdom, Holland, Italy and Portugal. A New York dispatch says estimates for two days were as high as 3,000,000 bushels.

It is understood that rates on grain from Argentine to European ports have again been raised, and from recent cable news it is believed shipping is again being endangered by the presence of German cruisers.

Liverpool cotton market was steady, and spot cotton in moderate demand. Sales were 7,000 bales and imports 41,000.

The snow covering over the winter wheat belt has for the most part disappeared.

LIVERPOOL MARKET.

(Clark & Martin.)

Liverpool, Jan. 13.—Wrheat—Very firm, with offers light and milers' demand urgent on American strength, also Argentine strength and unfavorable weather in Argentine. Spot market strong and advancing. American winters are purchased at 7½ advance, and Plate at 6d advance, from yesterday, with spot market 1 to 1½ higher.

Corn strong.

Argentine—Freights strong at 63s. Buenos Ayres wheat closed strong with absorption by Italy and Brazil, and advancing freights.

Bulgaria—Acreage smaller, but crop conditions favorable.

Italy—Large area was planted.

There are no signs that the requirements of importing countries will diminish in the near future.

Russia—Arrivals at the ports are very light and practically nothing is moving from the interior, owing to reduced facilities. Regarding the possible opening of the Dardanelles, Broomhall says: Russia's quota for actual export at this time would be small, but large quantities would be immediately available from Bulgaria and Roumania.

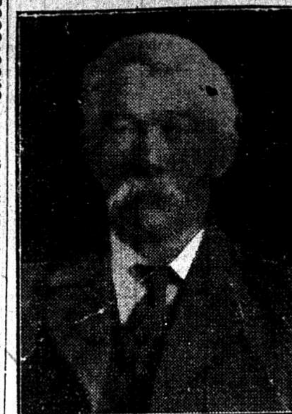
WILLIAM VINCENT, PIONEER, IS DEAD



William Vincent, one of the earliest and most highly respected settlers of the Stonewall district, was called to his rest on Tuesday afternoon, at the age of 78. Mr. Vincent was the son of the late John Vincent of St. Paul's parish, Middlechurch, and a brother of the late Ven. Arch. Vincent, the noted Anglican missionary who did such excellent work for the native tribes of Albany and Moose Forts, on the Hudson's Bay. Another brother was the late James Vincent, a valued officer of the Hudson's Bay company. In the early seventies Mr. Vincent moved from St. Paul's parish and took up a homestead in the township of Victoria, a few miles from Stonewall, where he lived up to the time of his death. He went in extensively for mixed farming, which, under his able and industrious management proved most successful. He also took a keen interest in everything that made for the good of the community in which he lived, and was a most public spirited citizen.

Being of a most genial disposition, full of a bright humor and possessed in a marked degree of qualities that lent themselves to the best of good fellowship and comradeship, he made a host of very warm friends. A man of massive frame and of extraordinary physical strength, William Vincent had a very big heart and yet one as tender and full of sympathy as that of a woman.

Friend of Archbishop

In religion he was a loyal Anglican. When the present archbishop of Rupert's Land, as a student was in charge of the mission of Victoria, Mr. Vincent was his right hand man, and with his own hands assisted in the building of the archbishop's first church, which was finished in 1876 and consecrated in December of what was known as the "open winter," amidst pouring rain. Ever since that time Mr. Vincent was an officer of the church. He will be buried today in the pretty little "God's acre" around the church he loved so long and so well.

In politics Mr. Vincent was a strong Conservative and was a close friend of the late Hon. John Norquay. He was also a prominent Free Mason and a pastmaster of Stonewall lodge.

preparing what I thought would be necessary for a winters journey of 1164 miles; but as I was almost entirely ignorant of this sort of travelling, it was difficult to say what would be most useful, and as I had no person to consult on the matter I set about perhaps the more willingly to manage for myself. Hired two Indians to accompany me to Martins Falls the first stage of my journey. The only provision we took was Pork & Flour, a little Oatmeal, some Salt Geese, and a few pounds of Tea & Sugar. This last article I was sorry afterward that I had taken it, because it added considerably to the weight of my sled, and we might have done without it as I afterwards did.

On the afternoon of the 28th January every preparation was completed, sleds were loaded and lashed, and my two men started. Joseph hauled my sled for me to their encampment, being about five miles, purposing myself to follow after the morning following, and overtake them early. I was fully alive to the difficulties, dangers, and perhaps privations I might have to endure on this long, and trying journey, and my fears were not without cause as I afterwards found, but thanks to a good & gracious Providence I passed through all unchanged. For myself however, I did not mind, but I was leaving my dear wife with our dear little one in her arms almost alone. It is true we had arranged, that she should join her Father (Mr Gladman) at Rupert's House, but it was over two months from the time I left them here before she reached her parents. In this case my feelings may

slip them off or get them out. My men happily were close behind me and immediately came to my assistance. The day being mild we did not stop to make a fire, but merely changing my my socks & shoes proceeded and reached the post in a few hours. Here we gave Mr LinKlater an agreable surprise, as he did not expect me until the Summer. I remained with them three days feasting on their hospitality, being also desirous to spend the Sunday with them. This afterwards proved a happy day. I preached in English & Indian, and baptised three children. One was an Indian child adopted by Mr & Mrs LinKlater who also stood Sponsors for it. They were also some heathen Indians around to whom I spoke the words of eternal life. They said they were willing to give themselves up for instruction. Being thus engaged 580 miles from my own Station gave me much pleasure. This was also my birth day, which I considered an interesting coincidence in my history. That I should spend my 28th birth day at my birth place happening to fall on the same day of the week I was born – Sunday March the 1st 1835. My father before leaving the Company's Service had been in charge of this post for 5 years.

March the 2nd. We made an early start this morning, as I was desirous of reaching Lac Seul so as to spend the next Sunday there. Mr LinKlater very kindly let me have as much provision as he could well spare although having only about 20 lbs Flour & Oatmeal for this

and heirs of the kingdom of heaven.

Monday June 9th

Tuesday June 10th

Wednesday June 11th

Friday June 13th

We have great Cause to bless and praise God for his great goodness towards us. We have just experienced another manifestation of his love.— Mrs Vincent gave birth to a new little baby this afternoon, and both she and the dear little one get on exceeding well. I pray that they may both be spared to get over this great & sore trial. Like little Samuel the dear little one we would now dedicate him to God and may He assist us so to do with a single eye to his glory.

Sunday June 15th

Our Congregation has been pretty large today, and Services well attended. It gives me much real joy to witness the Christian deportment of some of my flock. I do not say that we have yet attained to the measure of the stature of the fulness of Christ, or that we possess all those graces which Characterises the true & humble believer; but that we are willing to sit at the feet of Jesus, and learn His gracious will. O may He teach us to do so more & more daily, until we all attain unto perfect holiness, without which no man Can see God.

Monday June 16th

I have been variously engaged today, but in the afternoon

and I thank God He has given me strength to labour so much, and also to attend to my ministerial duties. I rejoice to state that our work progresses favourably, and I am humbly led to think that there is a growth in grace among my people Likewise. This evening they really made my heart glad to hear the simple but earnest petitions with which they besieged the throne of grace. Surely those prayers will receive a gracious answer, and will be returned to them with interest from on high.

I have humbly prepared this day for the duties of tomorrow, and may Our Lord Jesus Christ be with me present to help me to speak; and my people to hear for his own dear sake. Amen.

Sunday July 13th

Before I entered our place of meeting this morning it was quite crowded, indeed we have had large numbers attending today. I baptized our dear little one this morning at English service and it gave me much joy thus to be able to give him to God and dedicate him to His service & glory. That he may fight manfully under Christ's banner, and prove a valiant soldier of the Cross has been and will continue my earnest prayer, and may God help me to teach him as to do.

I suffer from a severe cold to-day, and it is with difficulty I can perform my duties.

Monday July 14th

My cold grows worse and I am not capable of working out, but I was able to write a little.

Wednesday July 16th

I have been able to work a little on the Church to day and assisted Isaac Hardisty dressing plank for the floor. I also met my flock in the evening, but found it very difficult with my sore throat to perform service. My Cold is very little better.

Thursday July 17.

An Indian from Long Lake arrived here yesterday evening. I spoke to him this morning, and offered to teach him, but he

with. On the Sunday following, and also on the first Sunday in the new year I had likewise four services. On the latter day I also had two weddings & a baptism. Every day during the intervening week I got the children together from 9 to 12 a.m. & taught them as much as the short time allowed of. It was extremely painful to find children speaking ones own language, & yet ignorant of the most elementary truths. These poor people had not even seen a clergyman for 18 months before, since the Bp visited them in the summer of 1874. May He who has died - even for them - condescend graciously to bless my feeble efforts to bring them to the knowledge of Himself - and thus crown with success my first missionary journey.

I do not ask for a continued interest in the prayers and sympathy of the Com^ee yourself - because I feel sure I shall have it. I often feel deeply humbled, when I compare the responsible nature of my work with my own insufficiency to perform it - yet the firm conviction that He who has so plainly brought me to it, will give me grace to perform it, support and cheer me. If only He make me instrumental in leading some of these poor people to Himself, how abundantly will my effort be rewarded. May He only do so, and to Him shall be all the glory.

(Signed) I. H. Keen.

Bp of Moosonee to Rev: H. Wright

Moose Factory, Feb: 11/76.

Your valued letter of Dec: 11th reached me last week by our usual Winter Packet, and since then I have been, as you may well imagine, very busy.

No 48. the first clergyman of the diocese should be there. The district is a very extensive one, and the incumbent must necessarily be left very much to himself, as my getting to him is a matter of extreme difficulty. I hope (D.V.) to go there in '79. the year of the next Provincial Synod.

Could you tell me what papers are required in the creation of an Archdeacon; I know the oath &c, but little else. Moose has never seen one yet.

I have been obliged to allow Vincent to go to Canada; his father-in-law who died last Sept:, made him one of the executors of his will, and until his arrival in Canada matters are at a standstill. Rev: Mr O Meara wrote me urging his going at once not only on account of his being an executor, but likewise on account of his two boys who were under his father-in-laws charge this will not interfere at all with his summers work, when he will make an extensive journey. This will probably make Vincent a rich man: may he be supplied with extra grace. His father-in-law was Mr Chief Factor Gladman, who was long in charge of Rupert's House, and one of the best men I have met with in the country.

Many thanks for your kindness as to Beatrice and Bertie. I think they will remain here another winter; I will write by bye again. Mrs Horden must go home with them, and what I think now is that they will come in the June of next year. I don't like thinking about it very well

I send you in another envelope a long letter, giving an account of my journey to Red River; I hope you will not find it tiresome reading I should have read it through and made a few

John Mc. Kenna Esquire
Half Breed Commission
Department of the Interior.
Ottawa, Ont.

Dear Sir.

Your Communication of 11th April 1902 Re- the Claims for Scrip, for myself & family, made at different times, has duly Come to hand. In reply, permit me first to thank you, very much, for the kind, Considerate & Gentlemanly manner you received me in Winnipeg, when I had the pleasure of an interview with you. I consider that I was greatly favored in having my business promptly attended to, when so many others were waiting around to have their Claims examined.

I must admit now that some of the statements you have made have Come upon me as a surprise, and I am quite at a loss to Conjecture by what process of reasoning, or to understand by what means you have Come to the Conclusion that Moose was, & not Albany, the home by residence, during the period stated. Now, My daughter Minnie, May has said, in a general way, that the family Residence was at Moose; that is, in the same way as I might have my letters addressed to Moose, being the better Known place, while, in reality, I was staying at Albany. This I have often done. Now, however, it seems to me that, if the Claims I have advanced are fairly &

2.

justly Considered, they will be accepted in the same way, as others have been, of parties residing at Albany at that time, and who have long since removed to Port William, Ont.

To be Correct I have Carefully examined my old journals, to ascertain, if possible, if any mistake has been made. The following is the result of my search. I was born at Canabeugh, in Renwalen, On 1st March 1835. My father retired from the Co. in 40 or 41. and settled up in Red River, below Winnipeg, where I was brought up. In June 1855. I left for Moose Factory, to assist in Mission work. Up to 1860 I had no permanent residence. In August of that year I was appointed to the Charge of the Albany River District, with Albany as my head quarters. Date 8th Aug. 1860. In Summer of 61. I got married; in 62. My eldest Son John A. was born on 13th June at Albany. 63. & 64. I was still at the same place. On 27th July. 64. My second Son George Thomas, was born. In Sept. 1865. I was ordered to Moose to fill Mr. Hordens place, who went to England on furlough. I took my family with me. At this period I am both places, Mr. & C. 18th July 66. My elder daughter Clara C. was born at M. 1867. Mr. Horden returned in the Autumn. I went back to Albany alone - it being too Cold to take my family with me - 1868. Feb 8th minnie was born at M. In June of same year My family returned to Albany. 68. 69. 70. 71. 72. 73. This year on 2nd Febry youngest son Charles S. was born. 74. 75. 76. 77. 78. 79. 80. 81. 82. 83. 84. 85. 86. 87. 88. Bp Horden went to England again and I had to fill his place at Moose for another 2 years. Took my

family with me. In 1890 the Bishop returned, and I went back to Albany. In 91. My wife died. I remained on at Albany until 1900 and then retired.

Now, you will observe from the foregoing that during a period of 30 years; that is, from 1860. to 1900. the family residence was at Albany 36 years. 4½ years at Moose Fly 66.67 & again 88. & 89. Simply to do another man's work.

Now, if this is not positive proof that the family residence was at Albany, at the time in question, I must confess that I do not know what proof is. I am accordingly sorry to give you so much trouble, but you will understand that the settlement of this Claim - which I believe to be a just one - is a very important matter to myself & my Children. Trusting that you will kindly consider this matter again, with all good wishes

I remain, Dear Sir,
Yours faithfully,
Thos. Vincent

Mr McKenna/-

On Dec 3rd 1901. Rev'd Archdeacon Thomas Vincent son of Thomas Vincent and Charlotte Thomas, appeared before our Commissioner at Winnipeg and inquired about the following applications made in 1885 for himself and his five living children:

1st Vincent, Rev Arch. Thomas, son Thomas Vincent, born 1836
2nd John Borden Vincent son and Thos Vincent " 1861
3rd George Thomas do " " " " 1863
4th Ethna Caroline do daughter " " " 1865
5th Mary Minnie do do " " " 1867
6th Charles Stuart do son " " " 1872

The above six claims are listed on Schedule made at Winnipeg under Nos 249, 250, 251, 252, 253 & 254. -

From Winnipeg you were informed on 3rd 1901 & the Dept of the Interior for papers bearing on these Claims. File 281,429 was forwarded to you at Winnipeg.

File 281,429 discloses the fact that the Archdeacon Thomas Vincent, filed a claim on Nov 27th 1885 in the form of a letter setting forth the information contained in Schedule list made at Winnipeg nos 249. & 254 inclusive. Mary Minnie Vincent's claim was made separately when she appeared

- 2 -

in person on 26th July 1894 at Winnipeg before Mr Roger Goulet (File 367 316 on 281429.) Her application was disallowed "applicant's evidence on 15th July 1870 was in the Province of Ontario." The disallowance of this case took place on 6th Oct 1894 by Mr Asst Surgeon Dne Date.

according to Rev Archdeacon Thos Vincent own letter (Nov 27th 1885 with file 281429) his daughter's sworn statement of 26th July 1894 and his own statement (Schedule list No 249) the family has resided at Moose Factory from 1856 to 1886 and even to 1894 and possibly later than that. Consequently, the family's residence was in the Province of Ontario on 15th July 1870 when all the children were born between 1861 & 1872.

As to Rev Archdeacon Vincent himself, he states he was born in 1836 at Osnaburgh post on Lake Joseph. St mathews very little as to where he was born, as long as his residence was at Moose Factory in 1870 on 15th July.

I think neither Rev Archdeacon Thomas Vincent nor his five children's rights as aboriginals, were ever interfered with.

Dear Sir,

Feeling that I am entitled to share in the half Breed claim to land Scrip as the other members of my family have done, who reside in the Province of Manitoba. I prepared the following Statement, and authorize you to place it before the proper authorities in Ottawa for their guidance & Consideration.

It was customary for the officers of the Hon. Hudson's

Hudson's Bay Company, in the last Century, and in some Cases during the present, to marry women of the Country, whose veins were not quite free from Indian blood -

Both my Grand-fathers in this Case, were no exception to the general rule, for both married such women, and in time had Children with them.

Both my parents were born in the N. W. Territories, which, at the time, was under the control of the Hon. Hudson's Bay Company. My father afterwards became an officer

in the Service of the said Company, and when he was in charge of Osnaburgh post, on lake Joseph, I was born. (1836)

When I was four years of age my father retired from the Service of the said Company, and settled down in St. Paul's Parish, Winnipeg, about Seven miles below the upper Fort Garry - There I remained with him for Sixteen years.

When at the age of 20 years I felt a strong desire to become a Missionary on making application to good Bishop Anderson for

for an appointment, he at once consented, took me with him to Moose Fort, on James' Bay, and in the Country around I have laboured for thirty years.

After an absence of Seven years I returned to my home in Winnipeg. This took place in 1863 but to accomplish this it was necessary to take a Snow Shoe journey of 1300 miles in the midst of Winter.

After another absence of thirteen years I returned again to my home, but then the transfer of the Country had been made

to the Dominion Government and great changes were taking place.

Since 1876 I have not been in Winnipeg, through each year my work takes me to Lake Joseph. I am at present in charge of the Albany Mission including a very large district, which, in a direct line, includes Country East of Winnipeg about 400 miles.

My wife is also a native of the N. W. Territories. She is the third daughter of Joseph Gladman Esq. a gentlemen, who for many years was in charge of the

My Children are five in number - three boys & two girls - their respective ages are as follows:-

John Reorden will be 24 years last birthday (1861)
George Thomas " 22 " " " (1863)
Clara Caroline " 20 " " " (1865)
Mary Minnie " 18 " " " (1867)
Charles Stuart " 13 " " " (1872)

As to my success in Missionary work it is not necessary that I should say anything here excepting perhaps,
