VERIFIED MÉTIS FAMILY LINE ASSESSMENT DOCUMENT
LESAGE-LEGARDE FAMILY LINE (FL4027)

1 Overview of this Document

This Verified Métis Family Line Assessment Document, along with others, have been prepared by the MNO Registry in order to identify Métis families who were a part of Historic Métis Communities in Ontario.[1] These communities existed in some parts of Ontario where distinctive Métis collectivities who, in addition to their mixed Aboriginal ancestry, developed their own customs, way of life, and recognizable group identity separate from their First Nation and European forebearers, prior to the Crown effecting political and legal control in a given region.

The MNO represents various regional rights-bearing Métis communities throughout Ontario; these communities consist of the Descendants of the Métis Root Ancestors who made up Historic Métis Communities. Based on the Descendants of these Métis Root Ancestors applying for citizenship within the MNO, the MNO is authorized—through democratic governance structures at the local, regional and provincial levels—to represent the collectively-held rights, interests and claims of these modern-day Métis communities.

Flowing from this authorization, the MNO has adopted a Harvesting Policy to manage the activities of Métis harvesters in Ontario. This Policy provides that an MNO citizen who ancestrally connects to a Métis Root Ancestor is eligible for an MNO Harvester's Card for the identified Traditional Harvesting Territories (also known as Harvesting Areas) that corresponds to the Historic Métis Community to which the citizen's Root Ancestor belonged. To fully understand what is required in order to be issued a Harvester's Card, this Verified Métis Family Line Assessment Document must be read with the *MNO Registry Policy for Identifying and Documenting Verified Métis Family Lines for the Purposes of Issuing Harvesters Certificates to Citizens* ("*MNO Harvesters Certificate Policy*").

2 Rationale for Inclusion as Verified Métis Family Line

The Lesage-Legarde Verified Métis Family Line was part of the Historic Métis Community of Sault Ste. Marie (the "Métis Community").

The Métis Root Ancestor for this Verified Métis Family Line is Madeleine Legarde. Madeleine was a Documented Métis; she was referred to in the 1899 Report on Robinson Treaty Annuities as a "halfbreed." Numerous Descendants were enumerated as "Chip F.B." (Chippewa French breed) or "F.B." on the 1901 Census of Canada. Root Ancestor Descendant Jean Baptiste Lesage (a grandson of the Root Ancestor) was referred to in the 1899 Report on Robinson Treaty Annuities as a "quarterbreed." The Report stated that

his parents "are not thought to have been 'treaty' people", and that the family "though of Indian blood has not lived in tribal association with Indians."

Madeleine was first recorded in the Métis Community in 1929, over 20 years prior to Effective Control.

The Historic Records demonstrate that the Métis Root Ancestor and her Descendants spent their lives in the Métis Community, as they are repeatedly documented there. Root Ancestor Madeleine was married twice, and had three known children, all with her first husband, a Frenchman named Jean Baptiste Lesage. Root Ancestor Madeleine was recorded in 1861 in a census district that ranged from Bruce Mines to Batchawana Bay. In 1880, she was recorded with her daughter Marie Lesage on Sugar Island.

Root Ancestor Descendant Joseph Lesage, a son of Root Ancestor Madeleine, was born in Sault Ste. Marie in 1829. He was enumerated with his wife and family in 1861 in the same census district as his mother, and in 1901 he was recorded in Garden River, where he died in 1910. One of Joseph's sons, named Michel Lesage, was also enumerated on the 1901 Census in Garden River, with his wife and two of his children. Michel was recorded with his family in Garden River again in 1921. Joseph Lesage's brother, Antoine Lesage, was enumerated in Garden River in 1901 and 1921; his sister Bernadette Lesage was also recorded there in 1901.

Root Ancestor Descendant Angelique Lesage, a great-granddaughter of the Root Ancestor, was born on St. Joseph Island in 1876. She married in Thessalon in 1894, and had six known children. A great-grandson of the Root Ancestor, Alexander King, was born near Bruce Mines in 1874, and married in 1928 Garden River. enumerated with his wife and their four known children

One of Angelique's sons, Alexander King, was born in Bruce Mines around 1874. He married in 1928 in Garden River. Another son of Angelique, John J. King, married in 1891 in Thessalon.

The Lesage-Lagarde family had numerous Kinship Connections to other Verified Métis Family Lines that made up the Métis Community through marriage. Root Ancestor Descendant Jean Baptiste Lesage married Josette King of the King-Prisque Legris Verified Métis Family Line (FL4007). His sister Angelique Lesage married into the same family when she wed John D. King in 1868. Jean Baptiste's daughter Angelique Lesage married William Thibeault of the Solomon Verified Métis Family Line (FL7027) in 1894. Root Ancestor Descendant Antoine Lesage married Mary Madeleine Boyer of the Corbiere-Nolin Verified Métis Family Line (FL4020) in 1894. In 1891, Root Ancestor Descendant John J. King married Julie Thibault of the Cadieux-Evans Verified Métis Family Line (FL7016). In addition, the Lesage-Lagarde family lived in close proximity—in the same neighbourhoods—as other Verified Métis Family Lines. On the 1861 Census, for instance, Root Ancestor Descendant Joseph Lesage and his family were enumerated on the same page as Louis Cadotte, of the Cadotte Verified Métis Family Line (FL4002), and his family.

This is a Verified Métis Family Line for the Métis Community for the following reasons:

- There is evidence that the Métis Root Ancestor and Root Ancestor Descendants in this family line were Documented Métis. Many family members were identified as Métis in the Historic Record (*i.e.* in the 1901 Census many family members were enumerated as "Chip F.B." (Chippewa French breed) or "F.B.", and as "Halfbreed" or "quarterbreed" in the 1899 Report on Robinson Treaty Annuities).
- There is evidence that the Métis Root Ancestor and Root Ancestor Descendants were in the Métis Community prior to Effective Control.
- There is evidence that these Métis Root Ancestor Descendants had Kinship Connections to other Verified Métis Family Lines that made up the Métis Community through marriage, including the Cadieux-Evans (FL7016), King-Prisque Legris (FL4007), Solomon (FL7027), and Corbiere-Nolin (FL4020) Verified Métis Family Lines.

- Through the Historic Records contained in the Supporting Documents, there is evidence that the Métis Root Ancestors and Root Ancestor Descendants had an ongoing presence in the Métis Community for successive generations (between the Métis Root Ancestors and their Descendants, this documented presence spanned about 100 years).
- This Verified Métis Family Line continues to have an ongoing presence within this Métis Community today with many MNO citizens ancestrally connecting to the identified Métis Root Ancestors.

Madeleine Legarde (Métis Root Ancestor). Madeleine, a Documented Métis, was born in Minnesota or Wisconsin around 1794.[6] Her first husband Jean Baptiste Lesage was born in Riviere du Loup, Quebec at an unknown date.[7] Madeleine and Jean Baptiste had three known children between 1818 and 1840 (Moise, Joseph and Ellen, who was sometimes called Helene).[8] Their first child Moise was born in Ontario in 1818.[9] Their second child Joseph was born in Sault Ste. A widowed Madeleine was enumerated on the 1861 Census of Canada for a census district ranging from Bruce Mines (Lake Huron) to Batchawana Bay (Lake Superior). She is listed immediately adjacent to the family of John Corbiere and Marie Madeleine Nolin of the Corbiere-Nolin Verified Métis Family Line (FL4020).[12] Madeleine was enumerated on the 1871 Census of Canada for Sault Ste. Marie, which lists her occupation as "bark work."[13] In 1880, Madeleine was enumerated in the United States Federal Census for Sugar Island, Michigan.[14] Madeleine died at an unknown location in 1886.[15] The 1899 Report on Robinson Treaty Annuities refers to Madeleine as a "halfbreed" and husband Jean Baptiste Lesage as a "Frenchman."[16]

It also notes that the family "though of Indian blood has not lived in tribal association with Indians."[26]

John Shewetahgun who is stated to be a non-treaty man.

I recommend that he be left on the list, but be regarded as having nontransmissible title.

No. 7. John Mitchell. 6

Is a son of Amable, a non-treaty Indian of Wikwemikong, by Mary Anne daughter of John Mitchell, Sr. who was a halfbreed member of this band and received annuity. John Jr. was deserted by his father at an early age and was brought up by his grandfather who lived at Sheguindah on Manitoulin Island and not on the reserve of this band. It is not clear that John Jr. was adopted by the Whitefish River Band in any way and it is very difficult to see exactly why he has been paid annuity. If the payment was a matter of grace, then he had no title to transmit to his wife and children.

I make the same recommendation as in the case of No. 1. Maganettewan Band and with the same alternative. (Vide preceding page.)

No. 9. William McGregor 9

Is, as she admits, an illegitimate son of Mrs. Jane McGregor or John Omemence's widow No. 14. Spanish River No. 2, but he has been paid for many years, they say since childhood. He is a man of forty years of age and a prosperous farmer near Massey. I do not think his wife is entitled in her own right, but owing to lack of opportunity could not decide this point.

I make the same recommendation as in the case of No. 1. Maganettewan Band (P. 15) and with the same alternative.

his daughter Sophy, and illegitimate as the parents never married. Sophy later married No. 36 Mississauga Band, Joe. Sahgutahewaikezhik.

I recommend that as this illegitimate has been paid for years payment to him be continued, but that his title to the annuity be declared nontransmissible.

If there was ever any tribal association between this family and the Thessalon- or any other- Indian Band it is now hard to trace and excepting that certain members of the family were paid annuity at a comparatively early date with the band I can trace none. The family name, as it,(the family) is of French extraction is a conversion of Roi.

As early as 1861 Joe. and James Saisaigahenene were paid annuity. The former it appears was Joseph King Sr. now No. 15. With the exception of No. 47, Mrs. Joseph King, Sr. who also claims in her own right, all the Kings now paid claim through Joseph King Sr. "James Saisaigahenene (John King)" was paid until 1874 but not after that date unless he was the John King who

who was granted annuity in 1897. This, however, is most unlikely as the present John King was only fifteen years of age in 1861. There was also a Joseph or Josette Saisaigahenene or King paid from 1861 to 1871, in ~~that~~ which year or 1872 she married John Moses and was in the last year named, and after paid with him together with all formerly paid with her. It is probable, therefore, that one family of Kings, viz: ~~the~~ John Kings, has been dropped from the list or has disappeared by death or emigration.

The doubt that falls upon the King title springs from their total lack of association with Indians, raising as this lack does, when regarded in conjunction with their mode of life and the marriages they have made, question as to whether they or even the father and mother of the family should ever have been granted the annuity.

No. 15. Joe. King seems to have had some Indian blood. He married a half or quarterbreed Josephine or Josette Legree, who, as my information runs, was of a non-treaty family. Joe. was a miner at Bruce Mines, and when he left there, settled at Thessalon. In this village he brought up his family and his life was that of a fisherman or general labourer. Last fall (1897) he went to the United States and he has not returned. His son William, who is paid with him, went to Manitoba about eight years ago and remained there. Both are believed to be alive.

It appears to me that it is not easy to justify payment of any of the Kings as Indians of the

the Thessalon Band and that only in the case of Joe. King Sr., his wife and any of his offspring continuously paid with him, and Anne King No.16 has any right to continue to receive the annuity, resting upon the fact that it has been received for a term of many years, existed.

The following statement shows how the Kings have been paid, fairly well.

No. 15. Joe. King Sr. Since 1861 continuously /61 for 6; 68/69 for 7; /70 to /74 for 6; /75 to /96 for 3; /97/98 for 2.

Joseph or Josette King /62/70 for 2; /71 for 5; and since as John Moses wife (See No. 21. this Band P.23)

John King (James Saisaigahenene) /61&/68 for 2; /69 for 6; /70 for 3; /71 & /74 for 5 and not since.

" 49. John " /97 for 1 and /98 for 1.

" 48. Mary Jane King (Mrs, David Belrose.) /97/98 for 1.

" 50. Jos King Jr. /96 for 7; /98 for 6.

" 47. Mrs. Joe. King Sr. (wife of No. 15), /97/98 for 1, but no doubt one of the three paid formerly with No. 15

No. 9. Catchequai, Abraham, and son Frank said to be a King paid for 2 up to /93; 4 in /96; 5 in /97 and 6 in 1898.

It is to be observed that this statement is only presented to give a general view of the payments to the Kings and to show when the late grants of annuity to members of the family were made.

Some of the Kings- Larry for instance- are very well off. He owns a tug and employs a number of men fishing. He was a town councillor in Thessalon village for five or six years.

They all live in community with whites and not in any tribal relation and residence with Indians.

I recommend ~~that~~, as the association and residence of this family with the band has ceased for years ~~and~~, if there ever was any, and as the title of the older Kings was most questionable, and as the evidence upon which so many were added to the lists during the last few years is in my opinion insufficient to justify this addition, ~~that~~ none of those added since 1895 should be again paid; and that those paid in 1895, if alive and not debarred by law, be paid in future, but that their title be regarded as nontransmissible. This would leave to be paid, No. 9 for two persons, and No. 15 for 2 persons; No. 16 for one person, and No. 47 (if alive) for 1 person; and 18 persons to be struck off the lists.

Nos. 11 and 12 are sons of No. 46. Her husband was Louis Dejardins, a day labourer who lived chiefly in Marksville a village of St. Joseph's Island. He was a half or quarter blood and was first paid annuity in 1861 as "Shogoshai" I think. It is very difficult to be sure of the identity of some Indian names. It is not claimed that Louis Desjardins ever lived in any Indian

Indian community and it is probable that Indian blood, alone, acquired the annuity for him.

Mrs. Louis Desjardins, Sr. (Shageesh) is the daughter of a Frenchman named Prisk by a woman whose family is unknown but who is said to have undoubtedly possessed some degree of Indian blood. Prisk was non-treaty and his wife died before 1850. They belonged to Drummond Island but left it with the British and went to Penetanguishene where they lived and died.

The family has evidently never lived in any tribal relationship, or in residence with Indians as may be seen from the following statements.

No. 11 Mrs. J. Desjardins Sr. has been paid lately for her daughters, Susan forty-five years of age; Mary Jane thirty-six years of age; and Julia Anne, thirty years. Susan married Tom McLeod, a Scotch fisherman of St. Joseph's Island, about twenty-six years ago. He deserted her two years ago with eleven children on her hands.

Mary Jane married a Frenchman, Louis Reveal of St. Joseph's Island, a farmer from Ottawa. They have five children. Julia Anne married an English farmer of St. Joseph's Island, no offspring.

No. 11. Louis Desjardins is a man of fifty-six years of age. His wife was Angeline LeTour daughter of Lizette Dumas of St. Joseph's Island. He has eleven children all living. He lives at Gawas Bay, St. Joseph's Island, and has done so almost since his birth. He is a farmer and owns the seventy-seven acres he farms. Has had the farm for twenty years. Before taking it up he worked by the day a good deal about Bruce Mines making

making fish kegs. By trade he is a cooper. He has been with Indians about the lake shores, but has never fished nor hunted for a living as they do, nor followed the tribal life, nor maintained tribal relationship and residence. That one of his daughters has become an American citizen is elsewhere reported. His wife's connections were labouring halfbreeds of Bruce Mines and St. Joseph's Island who are only known to have associated with Indians about eight years ago, when they moved to the Thessalon reserve and lived there for a year until scarcity of work drove them back to St. Joseph's Island. (See Rep.)

No. 12 J. B. Desjardins is a farmer and resident of St. Joseph's Island. Like his brother he has never lived in any tribal relationship nor residence with Indians.

I recommend that the first generation of Mrs. L. Desjardins or Shageeshs family be paid as a matter of grace, but that their title be regarded as non-transmissible, and that those to whom it has been improperly transmitted-as the mode of life of the family is as entirely un-Indian and the severance of association and residence has been so complete-be struck from the lists and not paid in future; but if the Department as a matter of grace concludes to grant the annuity to those who are now and have been for sometime on the lists I suggest that their title should be considered strictly nontransmissible.

If my first recommendation be approved No. 11. will be paid for 1; No. 12 for 1: and No.46 for 4, and twelve persons will disappear from the list.

No. 14. Lizette Dumas 3

This woman has been paid for three persons. She is a daughter of a halfbreed named Antoine Dumas by Jane or WaZaminokeeshickoquay. It is not claimed that Antoine Dumas was a "treaty" man or was ever regarded as an Indian. Mrs. Dumas, as far as I can see, was first paid in 1869. but Lizette Temah (Dumas) was on the list as early as 1861 when she was paid for four persons. From a note on the 1865 list and the payment made to her in 1866 it is evident that her husband was not then paid and I do not think he has been since.

Lizette's husband is Amable Latour, a French halfbreed of St. Joseph's Island a labourer, fisherman, chopper, berry picker, etc. As stated on the foregoing page she and her husband only resided for a year, eight years ago, amongst the Indians of the Thessalon Reserve.

The mode of life of these people being that of the Indians and there having been actual association and residence with the Thessalon Band at a comparatively recent date I recommend that Lizette and the children be paid as they were in 1895, whilst alive and not debarred by law, but that their title be regarded as non-transmissible.

John Moses was a son of Jno. Lesarge a Frenchman by Madelaine Legarde who is said to have been a halfbreed. John Moses married Susette Saisaigahenini or Susette King, mentioned hereinbefore (pp.18, 19). Her mother was an Assiniwai, her father a French half - breed. The Assiniwais were for the most part Wikwemikong people who went there from what is now Michigan. So John was it appears, a quarterbreed married to a half- or three-quarter-breed whose Indian descent was principally, if not altogether, from people who did not belong to, or reside in, the surrendered tract. And he seems to have lived at and about Bruce Mines where, no doubt, and lived in association with he laboured in the white community.

John Moses appears to have been first paid in 1872. His parents are not thought to have been "treaty" people. With Susette he was paid for six in 1872; for 1873 I can find no pay list; in 1874 he was paid for six; in 1875 & /76 for none; in 1877, /78 & /79 for one; in 1880 for 3; from /81-7 for 6 and after that the family broke up. Ten now claim under John's or Susette's title.

It appears that the progeny of Susette had the annuity as a matter of grace, and possessed no transmissible title- that John Moses was improperly paid- and that the wives of Louis and Alexander are not entitled unless in their own right. The wife of the former was Mary Anne Megonabi a South Bay (Manitoulin Island) woman, without title. I could in the time at my disposal get no information as to Alexander's wife.

It is said that this family though of Indian blood has not lived in tribal association with Indians on their lands or at any common place of residence.

I would recommend that No. 21. be paid for two persons who were paid in 1895, ~~thedocument~~ that Nos. 22 and 23 be paid respectively as in 1895 for 2, and 1, and that all be regarded as having nontransmissible title. This excludes five persons of the family of No. 23 who were added in 1896 as I think improperly, for ~~as~~ the family of Alexander was marked"not to increase" by the past Superintendents of the district, his title was clearly of the nontransmissible sort.

No. 38. Mrs. Bilval 4

Is the daughter of Pittwayway an Indian woman of the Thessalon Band by William Villebrun a half-breed of Thessalon &St. Joseph's Island who died before treaty. Her husband is Henry Bilval, a Frenchman of St. Joseph's Island, who is a farmer on a large scale. The Bilvals have never lived with Indians in tribal association and residence.

Those paid with No. 38 are a son of thirty-four years, Joseph, unmarried; Mary, a daughter, twenty-nine years, unmarried; and Catherine a daughter, twenty-seven years, married to an Englishman, Alfred McGowan on St. Joseph's Island who has a daughter aged one year.

I recommend that the family continue to be paid as at present, but that the title be declared nontransmissible.

No. 52. Teebo Peter. Jr. 1

" 53. " Louis 1

In 1860 an Indian of this band named Peneshe drew for nine persons. This decreased to eight in 1861 and as in 1862 the name changed to "Lizette" Penesse's family" and in 1863 and 1864 only seven were paid and a note appeared "2 dead" Peneshe would seem to have been one of these. The family decreased to 5 in 1866 and to 3 in 1867 and 1868. The notes in the lists show that Fannie, daughter of Peneshe married one "Pierre," a man living at Garden River, and she, with a boy who was paid with Peneshe, were removed from the Thessalon list in 1866 or 1867 with the intention of paying them with "Nebenagoochingʼs Band." From this, and from the fact that this Pierre or Peter Teebo's name does not appear on the Garden River lists, it appears that he was not in receipt of annuity at that time. But in 1869 without increase of number in "Lizette, Peneshe's family" which was again paid for three, Peter Teebo's name appears on the list thus, "Lizette Peneshe's family, Peter Teebo." That seems to have opened the door through which the twenty-seven persons now paid passed to enjoyment of the annuity.

No. 40 William Teebo; No. 41. Frank Teebo and No. 42. Stephen Teebo are sons of Peter, it appears, by his first wife Lizette Payette.nontreaty. Nos. 52 and 53, Peter and Louis Teebo, are, I think, grandsons; sons of Louis Teebo, Sr. son of Peter Teebo, Sr. Although stated in the lists to be sons of Peter Teebo by his first wife, there is confusion in the account of these

these relationships and the information above is not to be depended upon. But what they really were is hardly essential. For the Teebo's do not seem to have lived in association with Indians or in tribal residence with them, or to have been put upon the lists under any known rule. For as far as my information goes both the father and mother of the older generation i.e. Peter Teebo and his first wife, were not treaty people, nor Indians in their habits or relationship and they have never been so since we have knowledge of them. The Teebos now live in the villages of Thessalon and Bruce Mines in white communities as they seem to heve done since Peter Sr. left Garden River after his marriage to Fannie Peneshe and nearly all paid appear to have got the annuity because their stepmother did.

In view of the fact that there has been neither tribal association nor residence and that no title to the annuity resided in any of these annuitants except old Mrs. Teebo under any rule now known to the Department I am of the opinion that none but No. 39 Mrs. Teebo and any of Peneshe's family still with her should be paid, but if the Department considers that a right to the annuity has arisen from the fact of payments having been made throughout a term of years, I then recommend that such right be regarded as strictly nontransmissible so that time may purge the lists of these people, who it seems should never have been put on them.

In the list of 1875 appears a note "Husband an American Indian" and in 1876 the family was paid for six instead of seven. And as the name is a feminine one (Omeawatchewonoquai) it would appear that a treaty woman's children by a United States Indian were paid; that probably she also drew pay for her American husband; but that he was **refused** after his American extraction became known.

I have no further facts in this case except from the pay-lists. In /77 the family decreased to five; in /85 to 3; in /87 to 2; and in /96 to 1. The cause of the first decrease is not stated; of the second was the mar iage of a daughter; of the third was "emigration "but of whom, and where to, is not stated. So that it is possible that three new families not yet identified may be drawing annuity under this very doubtful title.

I recommend that Omeahwatchewonoki be paid, if alive and not debarred by law, but that the title be declared nontransmissible.

This woman has been married for five years to a whiteman named Thos. Wilkinson. and has drawn annuity for two sons, Piere twenty-five years of age and Francois twenty years.

As elsewhere reported Francois died four or five years ago. He was struck off the list this year. Piere is admitted to be an illegitimate, born before her marriage with Megwonegeeshicks.

Humbly Sheweth:—

That Your Excellency's Petitioners, with
the Exception of some five or six, are all of
mixed Indian Blood and have been born upon
the Soil — that Each of them has held, occupied
and Cultivated the land, wherein they now reside,
for many years past, most of them having
inherited their possessions from their mothers, and
the residue having purchased from half-breeds or
Indians.— That the five or six, first above referred
to, came to the Country some thirty or forty years
since, and married Indian Women, through whom
they acquired their said possessions respectively, which
they have occupied and cultivated ever since,
that they all served the Crown during the last
war, most of them having been present at the
taking of Mackinac, and that some of them
even received a Grant of Land from the Crown
for their Services:—

Your Excellency's Petitioners therefore humbly pray that they may not be disturbed in their possessions, lines or boundaries, or, in any way molested, And that Your Excellency will be pleased to Cause their several possessions to be confirmed to them by a free Grant from the Crown:-

To His Excellency The Earl of Elgin,
Governor General of The Province of Canada,
and Captain General of Her Majesty's forces
thereon. &c &c &c.

The Memorial of the undersigned
Chiefs of the Odjebwa's. Hereby sheweth, that
by the treaty signed and entered the 9th day
of September inst. between themselves, and
the Hon.ble William B. Robenson upon the part
of the Crown, whereby was ceded to the Crown cer-
tain lands at the Sault de Ste. Marie, Whereon
several parties had settled and cultivated, sever-
al of them for upwards of forty years by and with
the consent of ourselves and people, and with scarce
one exception, all have married Indian women, and
by them have families, with these exceptions the whole
of the inhabitants of the Sault are what are termed
"half breeds" very many of them, the children of the
Sisters and the daughters of your Memorialists. Thus
having an inheritance in the Country equal to our
own, and bound to it by as strong and heartfelt ties
as we ourselves, we being apprehensive that the Government
after having purchased this land of which these people
also are equally the rightful and just owners, it would
exact from them a purchase money, far beyond that
which the Government has paid to us, to participate
in which the half breeds are not permitted by the Govern-
ment, the Chiefs therefore had prepared an article to
be enscribed in the deed of Treaty in the following
words, "The Schedule hereunto annexed is to be taken
and considered as a part of this treaty and the tracts or
parcels of land now in occupation or possession of the
several individuals mentioned, shall be granted by
a free grant from the Crown to each of the individuals
respectively and their heirs and assigns forever, said
patent to be issued so soon after the signing and
ratification of the treaty as possible" But the Honorable
the Commissioner not feeling himself authorized
to accede

to accede to such Stipulation, did not have it inserted, but advised your memorialists to appeal to the representative of the Sovereign to have the people therein referred to, protected in their lands and properties in the manner above discribed, many are qualified by education, knowledge of civilized life, and habits of industry to protect their own interest and maintain themselves as independent members of the community, and thus the example and encouragement held out by the admission of the more enlightened of our people to all the privileges of the whites will be the highest incentive to exertion to those orther of our people, who are not yet advanced to such a Stage of civilisation as would enable them to take care of themselves,

Another article we had desired to introduce was as follows " It being deemed important that the "half breeds" scattered through this extensive country, shall be stimulated to exertion and improvement by the possession of permanent property and fixed residences the Objebwa nation, in consideration thereof and the affection they bear these people and their Children and the interest they feel in their welfare, grant to each of the persons discribed in the schedule hereto annexed, one hundred acres of land to be located upon ~~on~~ some part of the lands ceded by this treaty, and that free patents for each hundred acres, shall be granted by the Government to the individuals respectively and their heirs forever, so soon as the parties therein referred to, shall have made the location they desire respectively.

The same reasons which precluded the above articles applies also to the following,
" The majority of the Inhabitants of the Sault being attached to the Roman Catholic Religion and having for many years past set apart a piece of ground for the purposes of a Chapel and Mission house and upon which also is their burying ground, the same shall be granted by patent to the Roman Catholic Bishop of Toronto —
